FOR ANNEXATION

GAZETTE-TIMES:—Well, as I
have read all the items and heard
several arguments on the elec-
tion of the 18th, I have thoroughly
changed my mind from what it
was at first. I see it is going to
benefit everybody, as we are in-
tending to put in a sewer. The
sewer will not cost any body a
great deal and it will sure help
to make Corvallis beautiful. As
we have a man for mayor now
that intends to improve the city
and treat everybody alike the
people want to stand by him.

If there is any improvement
that will help the town let's have
it. One man can not do it all, so
let every one help. Just look
what has been done at the college.
Look at the buildings that have
been built and the residences
that have been built the last
two years so. Let us all help
and keep the town a building.
I, myself, have built nine houses
in Job's and Wilkins addition
this year and expect to build
that many more next year. I am
doing my part to make Job's ad-
dition grow. So let us all go to-
morrow and vote YES and help
to make Corvallis a 10,000 popu-
lation by 1913. We can do it if
we all try.

A RESIDENT.

The polling place where said election
will be held in the hereinafter de-
scribed territory proposed to be annex-

Kennedy's Store on the North side of
County Road constituting extension of
Montre Street and located on the South
side of Block one (1) of Wells & Mc-
Elroy's Addition to the City of Corval-
lis aforesaid, and Louis Hollenberg, F.
S. True and W. K. Taylor are the
Judges of election in said territory and
N. Tartar and F. E. Stevens are the
Clerks of election in said territory ap-

The electors within said City of Cor-
vallis, and the electors within said
above described territory proposed to
be annexed thereto are hereby invited
to vote upon said proposition by placing
upon their ballots the words "For An-
nexation" or "Against Annexation,"
that is to say, by placing a cross upon
the official ballot between the number
and answer voted for. Electors in
said City of Corvallis will vote upon
said proposition at the above named
polling place within said city and the
electors in said above described terri-
tory proposed to be annexed will vote
upon said proposition at the aforesaid
polling place within said territory.
The votes cast in said territory proposed
to be annexed will be first separately
canvassed and if a majority of such
votes are in favor of annexation then
the votes cast within said City of Cor-
